#### INTERNATIONALSEARCHREPORT

International application No. PCT/JP2005/001543

Box No. II	Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)
------------	---------------------------------------------------------------------------------------------------

This international search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons:

1. Claims Nos.:

because they relate to subject matter not required to be searched by this Authority, namely:

2. Claims Nos.:

because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:

3. Claims Nos.:

because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).

## Box No. III Observations where unity of invention is lacking (Continuation of item 3 of first sheet)

This International Searching Authority found multiple inventions in this international application, as follows:

The color-image forming method in a silver halide color photographic light-sensitive material which is described in claim 1 is not novel. And the invention in claim 1 and the invention in claim 16 do not have the same or corresponding technical feature.

So this application contains the following groups of invention which are not so linked as to form a single inventive concept under PCT rule 13.2.

Group I : Claims 1-11, Claims 31 - 41 Group II : Claims 12 - 15, Claims 42 - 43 Group III : Claims 16 - 30, Claims 44 - 58

- 1. As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.
- 2. As all searchable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of any additional fee.
- 3. As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:
- 4. To required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:

Remark on Protest

The additional search fees were accompanied by the applicant's protest.

No protest accompanied the payment of additional search fees.
